

Simplifying Your Payroll Needs

*"Want to Save Money?
We guarantee to beat
your current payroll
provider price if not,
we will give you \$500.*

*We value our
relationship with our
customers and want to
continue to provide
quality services to new
customers as well."*

*– Brandon DiCesare
V.P. of Benefits*

Are you tired of handling the tedious payroll and benefits management for your employees? What if you could get back to focusing on the growth of your business? One of the most time consuming and expensive endeavors a merchant engages in is handling employee payroll. Just think how much more income could you generate if you had more time to devote to the growth of your business.

Streamline Your Payroll Process

5LINX Payroll offers the most robust, integrated, customized, and cost-effective business solution to address your payroll, human resource compliance, benefits administration and outsourcing needs.

Whether or not you are currently using a payroll service, you could be overlooking important taxation details or you could be getting overcharged. 5LINX offers a full service alternative for small to medium-sized businesses that enables you to spend less on payroll processing and benefit management with cost-conscious, customizable solutions.

Enjoy These Key Features:

- **Online/cloud-based**
- **Tax & Compliance Services**
- **Full Service Direct Deposit**
- **Tax Payments**
- **Paperless Payroll Options**
- **Time Off Accrual & Reporting**
- **Pay-as-you-go Worker's Compensation Insurance**

5LINX Payroll Advantage

Turn your time spent on administrative tasks into extra revenue by refocusing on your core business. Let 5LINX Payroll and our client-focused approach provide the solution to your business payroll needs.
