Sign-up:

Signing up is easy.

Have the business complete the online lead form and include a copy of their current payroll statement. They can also fill in the lead form found in your Virtual Office and send the completed form along with their current payroll statement to 585-348-2119 or scan and email to, payroll@5linx.com. Once you fax the business' payroll statement, a Payroll Consultant will be in contact with the business owner within 1-2 business days.*
