

# Maximize efficiency and profits for your business

*"I used to spend thousands of dollars on print advertising to drive sales for my business. With TextAlertz, my sales have risen significantly. Thanks to Web Connect, I can also host online meetings with my staff to review specific campaigns that have driven customer purchases."  
- Stephen R.*

*"With Business Elite's VIP discounts, I save every time I travel for business. Last year alone, I saved thousands just on hotels, meals, and rental cars."  
- Tameka F.*

How much time, money and frustration could you save with technical support instantly available for your business' computers? How much easier would it be to hold a meeting with prospective clients or investors if you weren't forced to drive to each one of them? Imagine how much more revenue you could generate by instantly sending promotions, featured sales, and more with a message directly to your customer's phone.

### **Accelerate Your Business Growth**

With Business Elite Services, you get a complete package of services that will help your business eliminate unnecessary expenses and generate additional revenue.

Business Elite Services includes TextAlertz, Tech24/7, Webconnect Webinar and Teleconferencing, Business Connections and VIP Discounts, meaning you receive all of the following benefits:

- **Text marketing that enables you to stay in touch with your team or connect with your customers about sales and special offers as a business owner**
- **Support for your business' computers to keep you up and running with hardware, software and technical troubleshooting**
- **Host an unlimited number of webinars or conference calls to develop your team or other business relationships**
- **Accounting service and Microsoft Office alternatives to help keep your accounting accurate and eliminate administrative headaches**
- **Savings of up to 50% at over 350,000 locations across North America including restaurants, retailers, entertainment and more**

### **The Business Elite Services Advantage**

Don't waste another day spending more and earning less than your business should be. Take advantage of the benefits that Business Elite Services can provide your business today.
