

XOOM Free Energy Program

Earn **FREE*** energy for your home every month with XOOM Energy.

To participate, you must register your account at:

[XOOM Free Energy Program](#)

Simply acquire & maintain 15 electricity or natural gas customers and you'll receive a monthly rebate on your XOOM Energy residential service!

**Free Energy rebate will be based on the average monthly XOOM Energy charges of all qualifying customers and excludes taxes, transmission charges and other fees.*

How does the program work?

- **STEP 1** become a XOOM Energy customer.
 - Register your account at <http://xoomenergy.com/partner/5linx/en/free-energy> located in your back-office
- **STEP 2** acquire and maintain **15** qualified* XOOM Energy customers (all accounts, including your own, must remain in Good Standing).
 - Electricity and natural gas will be treated as separate services. To get a gas credit, you will need to maintain a minimum of **15** qualified gas customers. To get an electricity credit, you will need to maintain a minimum of **15** qualified electricity customers
- **STEP 3** receive a XOOM Energy Rewards Cards for up to FREE of your commodity charges monthly.
 - Reward is based on the average commodity usage of the qualified Natural Gas (minimum of **15**) or Electricity accounts (minimum of **15**)

**Residential accounts only. Small Commercial customers on meters that may be deemed "residential" by their local utility will not qualify for this program. Customers only acquired from 10/01/2014 and forward count toward qualification.*
