PRO Frequently Asked Questions

What is the PRO Program? This is a consignment program that allows a representative to have product readily available to sell to customers from any team at meetings.

How do I place a PRO Order? You can download the form from the OXZGEN or CaptaVida tab on my.Slinx.com, fill it out and scan and e-mail in to Tina Turner.

Who is eligible to place a PRO order? Any SVP and above whose residuals can cover the desired amount of product.

What is a BIN? A BIN is a specific username that is assigned to each order through the PRO program.

When and how will I receive my BIN and Password? They will be e-mailed out to you in a welcome e-mail once the order is approved and processed.

How long will I have to sell the products before I am charged? You will have a total of 60 days to sell the product before your running account is charged for the unsold items.

Where do I enter my orders for the PRO program? <https://erewards.shop/PRO>

What is the process for a Cash Payment? We have come up with a cash payment process. You would still go to the <https://erewards.shop/PRO> site and enter your BIN and Password. Once you choose the cash option an additional password will be needed. (This will also be provided in your welcome e-mail). You will follow the process of entering the customer as normal minus the credit card information.

How does a Cash Payment affect my inventory? Cash payments will not show inventory as being sold, you are responsible for paying us wholesale price at the end of the 60 days on any cash items you have sold.

Are points associated with each order placed under my BIN? Points will be assigned to the rep that the sale is associated with.

Are commissions earned for each order placed under my BIN? Commissions will be paid to the purchasing rep as normal. All unsold product from 4 and 6 pack orders will earn CVs of 20%. Unsold product from 12 and 24-pack orders will earn CVs of 15% and 10% respectively.

How do I ensure the purchasing rep receives points and commissions for the orders placed on my BIN? Make sure that the top of the page displays the PRO banner.
