

Gain Control of Your Diabetes and Your Life

Support for Your Glucose and Weight Loss Needs

How would you like a new, effective way to manage your Diabetes? **CaptaVida Glucose Support+ & Weight Management Formula** incorporates key, all-natural ingredients used in Ayurvedic and Chinese medicine for over 2,500 years, and are known to have significant effects on metabolic and cardiovascular disease.

CaptaVida Glucose Support+ shapes the approach to Diabetes self-care by providing effective support for two of the most critical aspects of Diabetes—blood sugar normalization and weight loss. Our unique formula can help address your symptoms by:

- Promoting a delay in the breakdown of carbohydrates into simple sugars
- Enhancing the body's ability to use its own insulin
- Lowering blood sugar levels among those with Type II Diabetes
- Stimulating the metabolic rate of fat burning
- Diminishing appetite

With no painful injections to worry about, try **CaptaVida Glucose Support+** today and experience the all-natural difference.
